Customize your trip,  
making your vehicle unique.

At your fingertips:  
it's his technology.  
eS<sub>2</sub> has an on-board computer  
that constantly shows level  
of battery charge, speed  
and distance travelled.

The details are not  
just details.  
The front storage compartment  
is a standard feature on eS<sub>2</sub>.  
Very convenient and useful,  
it has a 12V socket for charging  
your cell phone.

Many accessories for your e-scooter and for your needs.
